

ARTS FOR SOCIAL CHANGE IN HAWAI'I

HEALTH

In practice: Lā'au lapa'au, hula, lua, oli, kilo practice

Arts increase wellbeing by connecting us to purpose and community

ECONOMY

In practice: Expertise in cultural practices contributed value to community

- Arts contributed 4.2% to the national GDP in 2022.
- Greater opportunities connect artists to local, national, and global markets.

INSPIRATION

In practice: Mo'olelo connect us to 'āina intelligence, to learn from past and care for future generations

Inspiration motivates us to empathy and action. In Hawai'i, mo'olelo captures inspiration from 'āina and connects us to community.
